School bus

The school bus collects the children in the morning and brings them safely home after school. The bus service is operated by a highly experienced company specializing in school transportation.

Route

The Terra Nova school bus operates between Zollikon and Meilen (trips to the city of Zurich are not offered for traffic-related reasons). Children who live in Küsnacht are not picked up.

To keep travel times as short as possible, suitable meeting points will be defined along the designated route where necessary. Whenever possible, these will be within walking distance of the child's home.

The exact departure times and meeting points will be communicated shortly before the start of the semester for organisational reasons.

Important information

- No refunds will be granted in cases of illness or absence.
- Registration is binding and applies for one school year. If you wish to make any changes or cancel for the second semester, please inform Terra Nova in writing by January 15 at the latest.
- Pre-Kindergarten children may only use the school bus if accompanied by an older sibling.
- For organisational reasons, registration for the school bus must be submitted before the start of the school year. You will receive the relevant information in good time before the registration deadline.
- Registrations received after the deadline, as well as registrations submitted during the school year, can only be considered if they are located along the planned route and if seats are available on the school bus.
- For organisational reasons, we cannot guarantee a seat on the school bus or a pick-up point within walking distance of your home.
- Spontaneous single trips are not possible
